### NOTES:

Grounds to be used this year

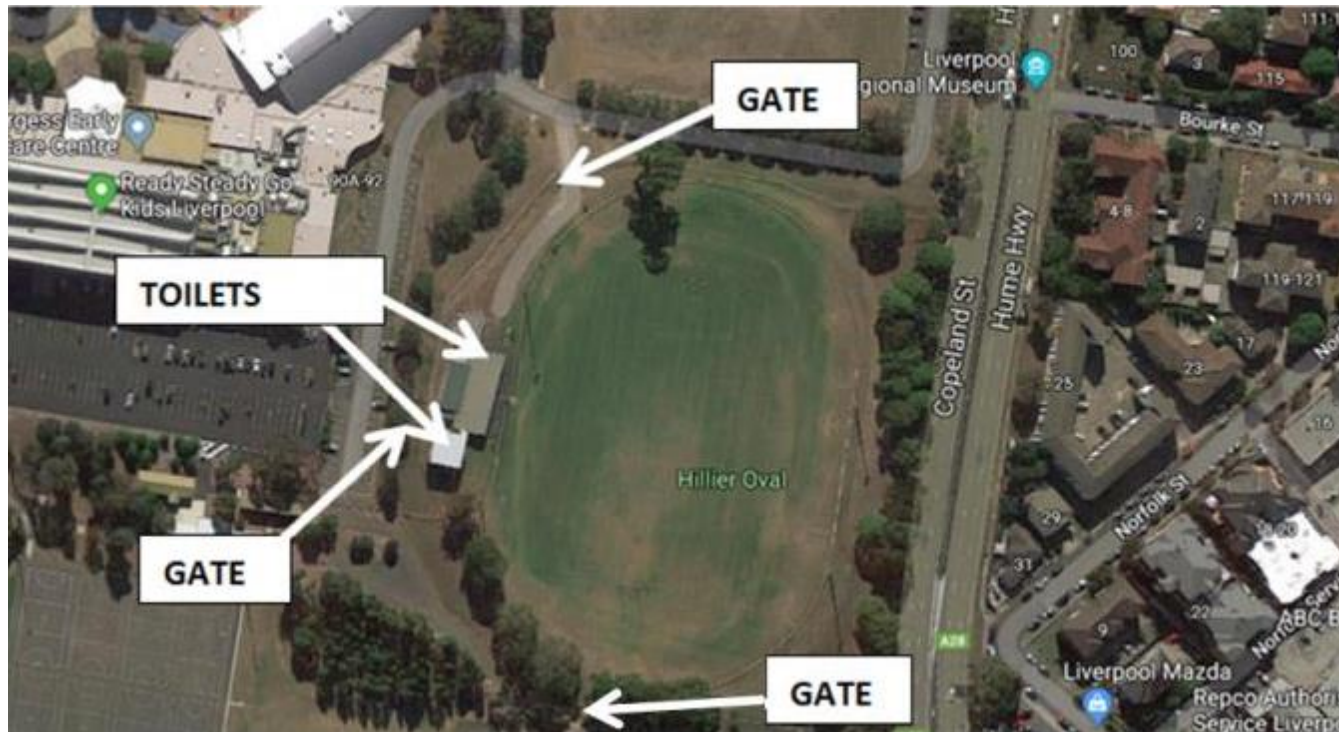

The ground is fenced and locked (large key needed to open western and northern gates; small key opens southern gate).

**TOILET KEYS** – large key. Boys toilets to the south and girls to the north of the toilet block.

## Liverpool Zone Primary School Sports Association

Home of All Saints Rugby League club (next to Woodward Park). Rugby league posts installed. Grandstand with wooden benches. Keep an eye out for students running around the back of the grandstand when accessing toilets. Plenty of bins provided.

## Liverpool Zone Primary School Sports Association

### WOODWARD PARK LIVERPOOL (CORNER HOXTON PARK RD AND HUME HIGHWAY)

**TOILET KEYS** – small key

## Liverpool Zone Primary School Sports Association

Two fields – upper and lower. Upper field has rugby league posts installed.

Unavailable at times throughout the year as it doubles as a community event location (netball courts excluded)

Lacks shade, and safety barriers along Hoxton Park Road (be mindful of students getting too close to the road).

Bins located at the car park.

Issues regarding student safety in winter due to volume of buses dropping off students at the same time. Teachers need to keep extra close supervision when arriving and leaving.

## Liverpool Zone Primary School Sports Association

### Hillier Oval

- The enclosed oval next to the Whitlam Centre. Next to Woodward Park. Home to All Saints.
- Keys needed (Hammondville, Liverpool and Dalmeny all have a set and thus one of those teams will be playing there each week to open up).
- Ground well maintained and marked.
- **Easily the best oval and the site for our semi finals.**

### Woodward Park

- The top (Oztag) field, with posts, at the corner of Hoxton Pk road and the Hume.
- Seating available.
- Ground has improved as on 2021, and has been regularly marked out.
- Mind the goal kicks at southern end – ball goes on road.
